To: All Telecommunications Service Providers:

The Indiana Utility Regulatory Commission (IURC) conducts periodic surveys of all local exchange carriers, resellers, and service providers offering telecommunications service in the state of Indiana. In an effort to provide the Indiana General Assembly with timely information on local telephone service competition we will be conducting two (2) surveys this year: the request for year end 2003 data which is included in this mailing, and a second survey to be mailed later this summer requesting data as of June 30, 2004.

The **IURC Local Competition Survey** form is to be completed and returned to the Commission ***no later than March 31, 2004***. You must provide the Commission with this information in accordance with **IC 8-1-2-52**. Please complete the form and return it to the IURC Telecommunications Division ***no later than March 31, 2004***.

All questions should be directed to either Mark Bragdon (mbragdon@urc.state.in.us) at 317-232-4708 or Stephanie Singleton (ssingleton@urc.state.in.us) at 317-232-5559.

Thank you for your cooperation and assistance.

William McCarty
Chairman
